

Trust us.

CLIA
Waived

**Better patient care
begins with accurate
urinalysis testing.**

Trust ARKRAY, the
manufacturer that
brought you the

world's first urine analyzer and someone
who understands the impact of cost on your
customer's business.

ARKRAY offers affordable, accurate urine
strips that are made in the USA. The
DiaScreen Urinalysis Strips can be read
visually or on the DiaScreen 50 Analyzer.

Compare to leading brands.
A better value for you and your customers.
